

# Introduction to Machine Learning Summary

Leonardo Baldo

## Contents

1	Introduction to Machine Learning	3
2	Linear Regression, Gradient Descent	4
3	Linear Classification, Logistic Regression	5
4	Regularization	6
5	Evaluation, Learning Curves	7
6	Artificial Neural Networks	8

# **1 Introduction to Machine Learning**

## 2 Linear Regression, Gradient Descent

### **3 Linear Classification, Logistic Regression**

## 4 Regularization

## 5 Evaluation, Learning Curves

## **6 Artificial Neural Networks**
